

Possible Pedestrian Improvements along Rib Mountain Drive

Source: NCWRPC, Airphoto from Google.

Legend

- Add a sidewalk ramp.
- Add a sidewalk segment.

Recommendation:

For existing and future pedestrian and bicycle accommodations, require facility design and construction to follow these guides in addition to state and federal laws:

- WisDOT’s Wisconsin Bicycle Facility Design Handbook,
- NACTO Urban Bikeway Design Guide, or
- U.S. DOT, FHA’s Pedestrian and Bicycle Information Center guidance.
