

# NEWCOM Radio Interoperability - Exercise 2008

The Northeast Wisconsin Public Safety Communication Group (NEWCOM) will conduct a series of communication interoperability exercises in the year 2008. The first exercise NEWCOM Communication Interoperability Exercises-08 will be a tabletop exercise involving a response to a large-scale hazardous materials incident. The objective of the exercise is to evaluate and plan how the MARC/WISPERN radio equipment would be most efficiently used in a large-scale incident. In addition the exercise will incorporate the use of the State Wide Mutual Aid channels. The second exercise would be a Functional Exercise expanding on what was learned at the Tabletop Exercise.
