

CITY OF WISCONSIN RAPIDS OUTDOOR RECREATION SURVEY

The City of Wisconsin Rapids is updating its Outdoor Recreation Plan for 2010-2015 and we would like your input. The new five-year outdoor recreation plan will be used to identify new projects for development as well as which parks to upgrade (i.e.: adding trails, buildings, or playgrounds). The plan enables the City of Wisconsin Rapids to be eligible for competitive federal and state outdoor recreation grant money, along with determining how best to allocate your tax money.

Please mail this survey and your answers on a separate sheet to be **postmarked by:**
