1	This campground is quickly going down hill. There are so many dead trees laying around or still standing.	3/8/2025 11:48 AM
2	We've been going there for the past 20 years we enjoy it , yes bathrooms need a update swimming pool our grandchildren swim in the river they enjoy it the grandchildren loved going for a treat at the store	3/5/2025 7:48 AM
3	The pool was the standout positive about this park. Prefer UPDATED pool to swimming pond	3/4/2025 6:23 PM
4	Please do not remove the swimming pools. It has been a staple of my family. While we don't have much free time, we go whenever we can.	3/2/2025 5:51 PM
5	we only camped there 3 times as it was run down ,and wasnt kept cleaned up,lawn care, they would mow around downed tree limbs and large branches, instead of cleaning it up	3/1/2025 8:53 PM
6	Keep the pools. Once updated you will profit from it. The pools are what campers come for. It's appreciate for all ages.	2/28/2025 4:07 PM
7	Please clean it up. I use to use it monthly but last few years it has really gone downhill	2/26/2025 6:13 PM
8	We go there to camp and safely have our children swim! The pool(s) is a must for the original cera park employee only families that have created memories there for 30+ years and continue our family traditions there!! The pools are what keep families coming back!!	2/25/2025 6:13 PM
9	We need bike trails.	2/23/2025 4:35 PM
10	An (above) hot tub for adults. No paying for guest parking and visiting.	2/21/2025 4:33 PM
11	The main bathroom/shower building should be a priority for remodel/upgrade	2/21/2025 8:57 AM
12	The pool was essentially the only reason we camped at CERA. Without it, I doubt I will return.	2/21/2025 8:48 AM
13	Need cleaner bathrooms.	2/20/2025 11:05 PM
14	The two pools are a very big asset to have at a campground. I would not take this away. Big mistake.	2/20/2025 7:27 PM
15	Improve playground	2/20/2025 6:24 PM
16	This is very emotional for me, as a kid we spent most of our time there in the summer swimming and camping. Dad worked at the Biron mill and helped out there when CERA Park was first being built and after. I learned how to high dive off of the diving board there. We went to all the fishing tournaments there. Dad always brought the boat out camping too. Never forget Polka dancing in the big round shelter house with a nice fire going in the middle. And the family would have parties in the little shelter house that is by the pool. Years later the mini golf was built and ice cream shelter/gate house. The family had many fun years mini golfing and walking around the whole campground getting exercise biking and roller skating out there. Recently lost my Dad and in Honor of him and all our fun years out at Cera Park, I would love to see it stay the same especially at least the name CERA PARK. I know though that sometimes things have to change. I would like to one day get back out there more often. Maybe even start camping again.	2/20/2025 3:11 PM
17	Either have the beach on the River, or the swimming pond	2/20/2025 2:44 PM
18	We have children and love to camp. The campsites are very well kept up but the bathrooms need work. Playgrounds need updating. And there needs to be swimming at the park somehow for the children!	2/20/2025 2:17 PM
19	I initially said "no keep the pool", but a swimming pond and a beach would give this park a facelift and the feel of it would fit with the flow/feel of the river. LOVE the idea of alternative	2/20/2025 1:04 PM

Wood County Outdoor Recreation Survey, 2025

	pool options	
20	We need something there for swimming	2/20/2025 12:54 PM
21	There are a lot of low spots on many campsites throughout the park that become flooded if it rains. These should be filled in and replanted with grass. Especially across from the bathrooms in the middle of the park and the northwest corner of the park.	2/20/2025 12:23 PM
22	It would be nice to have some type of swimming. Understandable if you cannot keep the pool and a beach area or swimming pond would be a nice option.	2/20/2025 9:21 AM
23	This is a great location that is lacking a park in wood county and cannot wait to see how this is upgraded.	2/19/2025 12:37 PM
24	The draw to CERA park is the pool area. If you take that away, it's not unique. If we wanted to swim in a pond or river we'd take our chances with the E. coli at Richfield.	2/19/2025 9:21 AM
25	The potable water really smells and takes forever to get out of your camper water lines.	2/17/2025 8:36 PM
26	No one will use the park without a pool. My family only went camping here due the pool.	2/17/2025 3:17 PM
27	Bathroom's need attention updated	2/15/2025 9:07 PM
28	Some sort of swimming area needs to be included for people camping. That was one of the best things about the park was the pool. The showers and the locker rooms aren't really needed. So wish the pool could be kept!	2/15/2025 4:04 PM
29	I stayed there last summer and was super disappointed in the upkeep or lack there of. There was tall grass and weeds everywhere a lawn mower couldn't reach including under all the picnic tables. Another concern was that the water in the shower houses smelled absolutely awful. I felt more dirty after the shower than before. And zero water pressure.	2/14/2025 9:08 PM
30	Upgrade electrical service to 50 amp, new wiring. Upgraded playground facilities. Disc golf. Upgrade water filtration/treatment to remove manganese. More water spigots? More campsites-maybe remote?	2/14/2025 8:57 PM
31	There aren't enough quality shelters to rent out in the area. This is a good chance to make something to draw in people from the river or give more access to the river from land.	2/14/2025 11:50 AM
32	Definitely needs to have a swimming option. A splash pad is ok for younger kids, but then there is nothing for teenagers or even pre teens. Adults like to swim too. I am not going to run around a splash pad. I wouldn't even bother wasting time and money on a splash pad. I grew up camping at CERA park. A lot needs to be done to make it wonderful again ! We still camp there once or twice a year.	2/14/2025 7:37 AM
33	I have used the nice pools at CERA park in the past and like them. However the new aquatic center in WR is probably a better replacement. We have reserved shelters at CERA in the distant past and liked them but not lately.	2/13/2025 9:44 PM
34	As a board member for the Village of Rudolph I recently started the process for exploring a splash pad and applied for Legacy funding for one in the Village of Rudolph, minutes from CERA Park (Just as an FYI.)	2/13/2025 5:47 PM
35	Park is loaded with Poison Ivy	2/13/2025 4:52 PM
36	It would be great to have a place and a reason for boats to stop.	2/13/2025 9:12 AM
37	Disk golf course?	2/13/2025 4:39 AM
38	Update bathrooms. In bad shape	2/12/2025 6:17 PM
39	Keep pool and showers	2/12/2025 3:36 PM
40	We have handicap lowered minivan and the huge road speed bumps throughout the campground have damaged our Muffler in the past. Only site we have been able to use is 38 across from host and we have to go in backwards to site to avoid them. Please remove them to allow us to use more of the camping spots. Need more handicap camping spots closer to the beach / boat ramp. Need to keep the public shelter/bathroom for handicap and others to use. Better the boat docs to make better for handicap to fish off of as well. Have had electrical surges in the past that knocks out the electric when park is full. Hoping to get your system up	2/12/2025 12:10 PM

Wood County Outdoor Recreation Survey, 2025

so we can book site 38 for Memorial Weekend and other weekends throughout the Summer as that is only site we can use at this time.

41	Have enjoyed this park and with kids, some swimming or beach access will be wonderful for families on hot summer days	2/12/2025 11:50 AM
42	Please grind down the speed bumps lower. I drive a handicapped van and they are to high and I bottom out on them.	2/12/2025 11:10 AM
43	There needs to be some sort of swimming option that is NOT a splash pad	2/12/2025 9:50 AM
44	I believe people came for the swimming pool. It draws people in even if for the day. We had a seasonal site a few years back and that was partly why.	2/12/2025 8:52 AM
45	Update bathrooms and mini golf	2/12/2025 8:44 AM
46	Bathrooms are the biggest problem . The showers stalls a disgusting	2/12/2025 8:40 AM
47	A second set of bathrooms closer to the tent area would be very beneficial	2/12/2025 8:31 AM
48	some type of swimming is a must have for the campers. The swimming pond with the floating devices are a huge thing no and would highly benefit the park	2/12/2025 8:27 AM
49	Water options should be prioritized for hot summer days and to attract more guests. Splash pad and/or swim pond would be great. Mini golf is also a great option to keep as it's something for all ages.	2/12/2025 8:14 AM
50	The swimming pool needs to stay. There are no close options for those who live rurally and ponds and river water is disgusting - way too much that can cause illness in our kids and pets.	2/12/2025 8:12 AM
51	there must be some type of swimming available for campers. The man made pond with the floating devices are huge in camp grounds.	2/12/2025 8:01 AM
52	My family loves Cera Park. We are excited to see what Wood County does to upgrade it!!	2/12/2025 8:00 AM
53	Swimming pool!	2/12/2025 12:06 AM
54	Keep the pool and update it. People will come! Hire college kids. Look at how Wausau pools run their schedule.	2/11/2025 11:52 PM
55	Keep the swimming pool and showers	2/11/2025 11:52 PM
56	Concessions, bring back the snack shack.	2/11/2025 9:28 PM
57	Heated pool. Open it to public and charge per day pass	2/11/2025 6:36 PM
58	Not that I was completely satisfied with how some people managed previous CERA park, but it is still such an amazing place filled with so many memories. I hope to continue making those memories there with not too many changes. I will say the beach on the river is small but nice because it's secluded where you're typically only sharing with one other person or no one at all. I don't see that area becoming a beach front like wazeecha.	2/11/2025 5:17 PM
59	It needs to be cleaned up	2/11/2025 3:41 PM
60	It would be nice to see themed weekends like many campgrounds are going to. Fun activities for families with kids of all ages not just young kids.	2/11/2025 2:24 PM
61	A beautiful location although simply not maintained and the past board and grounds keeper did not take pride in the park. A facelift on the bathrooms and having a filtered water system (even if only in one fill area) would be great. I did have the opportunity to have a seasonal site a few years ago. The park has amazing history and a great place for family and friends to gather, simply needs some TLC	2/11/2025 12:49 PM
62	The swimming pool has always been an enticement to go to CERA Park ever since I was a kid many years ago. Same goes for my kids.	2/11/2025 12:12 PM
63	I think water enjoyment is important to any family summer experience.	2/11/2025 10:53 AM
64	I grew up at CERA Park. I love going camping with my entire family and my kids can experience a part of my childhood. I understand the need for upkeep, even if it will break my nostalgic heart. I would love to see some sort of overnight support/safety return. I'm not meaning security/bouncer/weapons, but a golf cart going around and reminding people that the	2/11/2025 10:27 AM

campground is not a rave at 2am. Or, if there is an instance where you feel unsafe you have someone to go to.

65	I think keeping the metal playground is important. It is a rare playground which does bring people to want to camp. Also North and South Wood County Parks do not have good playgrounds near camping. For those who may not be able to walk as far as othrrs.	2/11/2025 9:59 AM
66	I know there is around \$100,000 in the Cera park fund, why is that not being used to improve the pools so they can be kept?	2/11/2025 9:25 AM

1	There is rarely anyone ever working and the few amenities they do offer are almost never available (pool and mini golf).	3/8/2025 11:49 AM
2	We enjoy going there with family and friends allways a great time please open up this year	3/5/2025 7:52 AM
3	Please do not get rid of pool. Bathrooms and showers need overhaul with better lighting.	3/4/2025 6:26 PM
4	Grass not cut, bee hives by playground, bathrooms maintenance better	3/2/2025 4:27 PM
5	Like camping there but ground needs update, trees trimmed, bees, grass not cut, rings not emptied, bathrooms and showers are terrible	3/2/2025 4:26 PM
6	We did truly enjoy out week of camping but the grounds are not well maintained tained. Grass was not cut. Wet grounds let for ruts on sites being used. Sites hard to access because of trees and narrow roadway. Fire rings were not empty. Some rings were new some not last year.	3/2/2025 4:26 PM
7	Would like more water hook ups. Bathrooms need maintenance. Low areas fill with water & get muddy a few times per year - need to be filled.	3/1/2025 11:43 PM
8	water hose attachment at ground pipe was spraying water continuously	3/1/2025 8:57 PM
9	Fees are too high and sites too small and too close together	3/1/2025 4:39 PM
10	The bathrooms need complete overhaul. The campground really needs some work.	2/28/2025 7:28 PM
11	Maintenance and upkeep are a must	2/28/2025 4:08 PM
12	Sites need to be updated	2/27/2025 12:59 PM
13	It would be nice to see the park return to the nice park it was 10 years ago.	2/26/2025 8:57 PM
14	Bathrooms and showers could use updating.	2/25/2025 6:14 PM
15	Needs more supervision	2/21/2025 7:06 PM
16	The playgrounds and pool are just in horrible condition. I don't feel safe letting my kids play on the playgrounds.	2/21/2025 8:29 AM
17	Clean and paint the bathrooms.	2/20/2025 11:07 PM
18	This campground could have brought in a lot of money, if you bring in someone who knows how to make a campground fun and entertaining. Themes, field trips, etc. many ideas over the years that could have helped.	2/20/2025 7:31 PM
19	Heavy bee's with hive on playground by wilderness camping. Experience few years in a row.	2/20/2025 4:59 PM
20	Didn't rate these areas at campground because I haven't camped there in years after mill was sold.	2/20/2025 3:15 PM
21	The size of the campsites are good however it was expensive to camp. The bathrooms are not maintained at all. The playgrounds are outdated. It is close to home so we can camp during the week if we want too! It was always well maintained when consolidated owned it but after that it got ignored.	2/20/2025 2:20 PM
22	Fees have been going up and the quality of the park has greatly diminished over the years.	2/20/2025 9:30 AM
23	The fees have gone up, but the quality of campground has gone down. Bathrooms are in rough shape!	2/20/2025 9:23 AM
24	Would be nice to get water directly to at least a few sites, if not the majority	2/19/2025 2:05 PM
25	Don't rename CERA park. The history is unique, we shouldn't loose that.	2/19/2025 9:22 AM

Wood County Outdoor Recreation Survey, 2025

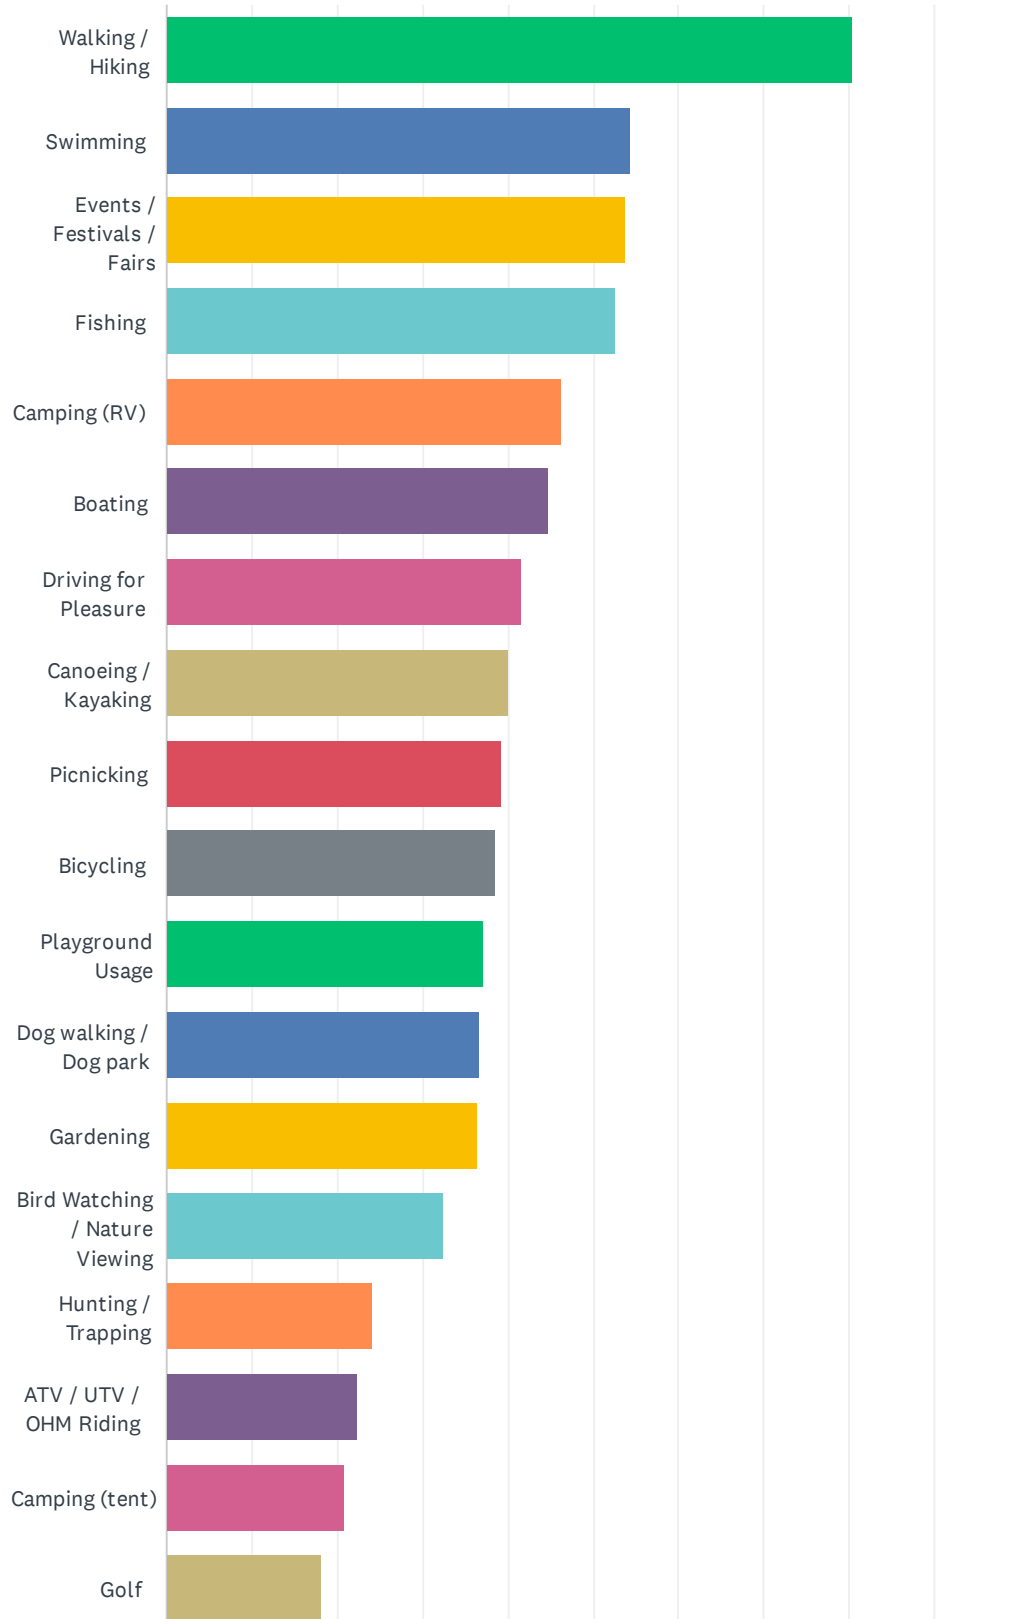

26	Dumping stations are 3rd world. No website like the state and county parks for reservations. Water smells. You have a gold mine in that shelter if you would clean it up! It's AWESOME! Prices are higher too.	2/17/2025 8:42 PM
27	A lot of us would love to see the park be fixed up again and return to its former glory. However, with no pool and most of the buildings/playground equipment falling apart..what is the point? Might as well bulldoze it and build a new park.	2/17/2025 3:19 PM
28	The firewood was locked up and when we needed it no one was around despite it being "open" hours at the store. We had to go to the campground host and he said he'd call the store employees to see when they'd be back. Playgrounds were overgrown with weeds and some sections broken and boarded up. Honestly the campground seemed abandoned.	2/14/2025 9:09 PM
29	Years ago this was our favorite campground - through the years, the amenities have gone down hill and the host was very strict with some things, but other things they let slide.	2/14/2025 8:20 AM
30	Definitely needs to redo both sets of the bathrooms and showers. (or at least hire someone who knows how to do a decent job cleaning) I don't live far, I usually just go home to shower rather than showering there. It is gross.	2/14/2025 7:48 AM
31	Caml in wilderness area. It was a mess. It was full of leaves and sticks. Very unkempt. Even though price wasn't high, it wasn't worth it.	2/13/2025 5:19 PM
32	Adding water hookup would be nice	2/13/2025 1:57 PM
33	We love Cera and have been camping there for years. Have seen a definite decline in the park as a whole. Extra fees for someone just visiting a site are a bit ridiculous. Love the size of the sites and location.	2/13/2025 1:56 PM
34	General site upkeep is very poor.	2/12/2025 8:03 PM
35	Fix bathrooms	2/12/2025 6:20 PM
36	Our last visit sucked with minimal pool hours available	2/12/2025 4:50 PM
37	Would be better with swimming pool.	2/12/2025 2:26 PM
38	In the past the customer service has been terrible. They charged extra for vehicles which dont agree with. Need to keep handicap bathroom/showers. Need better beach. Need more handicap sites. Campground was expensive. Need to have same reasonable price as other county parks. Didn't care for past host there. Just not as nice as other parks. Picnic tables needed repair and painted. Need to get rid of speed bumps as they damage vehicles. Just look at all the scrape marks on them as you drive through.	2/12/2025 12:15 PM
39	Please install grab bars in handicap toilet in shower house bathrooms.	2/12/2025 11:11 AM
40	No consistency.	2/12/2025 8:53 AM
41	Shower/bathrooms were very dirty	2/12/2025 12:10 AM
42	Na	2/11/2025 9:37 PM
43	Bring back the candy at the snack shack	2/11/2025 9:29 PM
44	Keep the brown playground. It's old, but that doesn't matter they are the most used. Always kids on them. My kids will cry if they are replaced.	2/11/2025 9:08 PM
45	Pools make this park so enjoyable. Bathrooms need painting.	2/11/2025 3:11 PM
46	The bathrooms really need a facelift. Clean, fresh and toilets that flush.	2/11/2025 12:54 PM
47	Looking forward to the improvements.	2/11/2025 12:14 PM
48	It needs someone to bring it back to life, it feels like it needs someone to care about it.	2/11/2025 10:54 AM
49	My grandparents had been going since it opened. Now me as an adult am trying make this camping tradition alive. I hope to share with my kids the idea that camping is an adventure. I also love to bring my own wood because I had worked hard cutting the wood down at my grandparents house. Due to the high prices of wood in North and South wood county parks. Also with the park being more enclosed I felt safer having my kids have fun and learn about nature.	2/11/2025 10:06 AM

Wood County Outdoor Recreation Survey, 2025

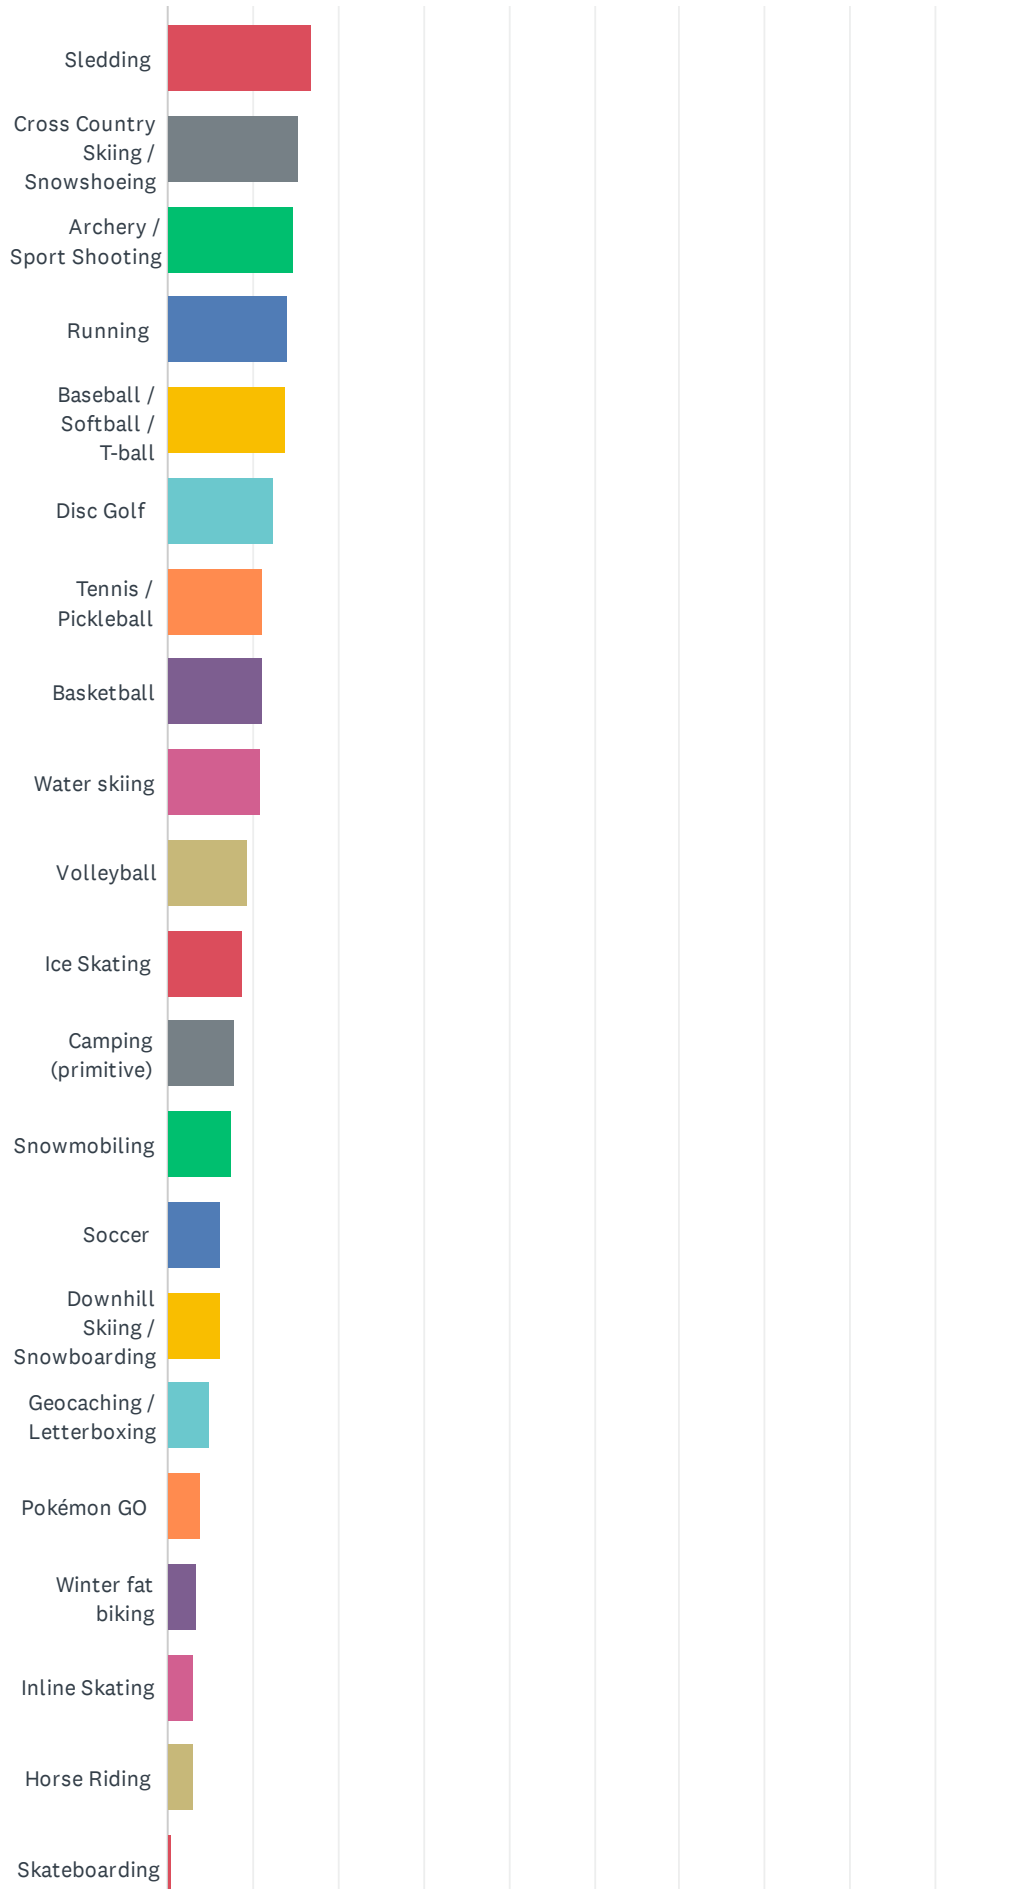

50	When the park was maintained better, it was a beautiful and convenient place to camp. Since the maintenance has gone down significantly, it's not as nice.	2/11/2025 9:26 AM
51	Too expensive when the pool isn't available.	2/11/2025 8:14 AM
52	want to be able to kayak	2/10/2025 10:58 PM

26	Purchase the triangle of land east of the Nepco Lake park and add it to the park. It is a wildlife paradise for birds and other forest creatures. It would be an absolute shame to see it developed into more small lots and houses. Nepco park is used extensively by hikers, bikers, snowshoers, CC skiers, shore anglers, kayakers and more. Maybe improve the small parking lot on the entrance road that most of the hikers use. Add a small year-round toilet at this parking lot. 55	Increase educational information about the water body, fish species, regulations, consumption advisories, etc. It would be cool to see a seasonal Clean Boats Clean Waters volunteer rotating between Wood County boat landings and educating water recreationalists about aquatic invasive species.	2/12/2025 9:31 AM
56	Kayak launches	2/12/2025 9:20 AM
57	Too many rocks and deadwood.	2/12/2025 8:55 AM
58	It would be great if there was a public dock on the river that could be used to launch rowing shells. To launch a rowing shell you need a dock that is low to the water - I'm new to the county so maybe this exists somewhere already, but I haven't seen one yet.	2/12/2025 8:53 AM

59	I think the boat landings at Wood County parks are pretty nice.	2/12/2025 8:46 AM
60	Better handicap access	2/12/2025 8:33 AM
61	Upgrade what is currently there.	2/12/2025 8:29 AM
62	Maintenance to docks and landings to include keeping them free of geese and their droppings, keeping the landing free of algae to avoid patrons from slipping and falling.	2/12/2025 8:25 AM
63	Weed removal, double launches rather than single, simpler payment/parking method	2/12/2025 8:21 AM
64	More stable, some are in poor quality some access points only have one at all	2/12/2025 8:06 AM
65	More space to load/unload boats	2/12/2025 8:05 AM
66	Better knowledge of where boat landings/water access points are located	2/12/2025 8:02 AM
67	It would be helpful to have more information on kayaking routes, good put ins and take outs, something that describes the length of the trips, conditions of the routes. "Canoeing and kayaking South Central Wisconsin" does a great job of this for routes in southern Wisconsin. If something similar to this could be developed for our area I believe that would be so beneficial!	2/12/2025 6:45 AM

1	The past 5 years we haven't had our trails open due to poor snow conditions. Get rid of solar farms there taking our snow away	3/5/2025 10:35 AM
2	i use to snowmobile, not anymore, we don't seem to get enough snow, but when or if we do, i think the trails are very well maintained	3/1/2025 9:04 PM
3	Keep them off private property, please.	3/1/2025 7:15 PM
4	They seem adequate.	2/28/2025 8:02 PM
5	It's hard to judge them, since they've rarely opened due to lack of snow. They do improve economies for establishments on the trails.	2/27/2025 10:11 PM
6	Thank you Kellner Knights	2/27/2025 6:14 AM

11	It's time to open the snowmobile trails up to ATV's	2/21/2025 2:37 PM

15	We need more snowmobile trails.	2/21/2025 7:26 AM
16	Please keep them off of x-country ski & snowshoe trails	2/20/2025 7:50 PM
17	I use to snowmobile all the time but sold my sled because we hardly get any snow anymore.	2/20/2025 3:22 PM
18	None that should be inside the municipalities.	2/20/2025 3:16 PM
19	I know the trails are groomed by the individual Clubs in the area and it's thru volunteers, but, I'd like more consistency between clubs. Auburndale's trails are rough because of chisel plowed fields. Vesper opens days after everyone else. The groomers are constantly pushing the snow off the trail instead of packing it down.	2/19/2025 9:29 AM
20	I have seen a total of one person on a snowmobile in the past 10 years. Should we build and maintain Segway and skateboard trails too? Please stop wasting money on snowmobile trails. I can barely afford to pay my county taxes as is	2/17/2025 3:23 PM
21	Unfortunately weather simply has not allowed for much of this-they haven't been able to open	2/13/2025 6:14 PM
22	Just need snow so they can be opened :)	2/13/2025 10:30 AM
23	There's plenty of them.	2/12/2025 2:32 PM
24	Clubs need more funding and wider trails/more summer maintenance	2/12/2025 1:37 PM
25	No snow usually	2/12/2025 11:39 AM
26	We haven't had enough snow in recent years to assess, but the trails are a bit narrow/tight.	2/12/2025 9:37 AM
27	I'm enthusiastic about snowmobiling, accessed Wood County Trails often when we had sleds ... but we no longer snowmobile due to age and other reasons. It's a great winter sport!	2/12/2025 9:36 AM

12	Again, what a waste of money. Most residents here are broke and will never be able to afford an ATV/UTV, let alone have excess money to burn on gas to drive around in circles for no reason	2/17/2025 3:24 PM
13	Please keep these vehicles off city streets.	2/14/2025 4:14 AM
14	Its a terrible, useless muddy mess. It is only useable if you want to be completely covered in mud every time you use it. Please replace it with something like the Tigerton OHV park or the beautiful trails in Clark and Jackson County. The Rome area in Adams County also has some nice trails to emulate in Wood County. How about developing the South Bluff area near Babcock into an ATV park?	2/13/2025 10:19 PM

2	a safe bike route to Plover Stevens Point is needed	3/4/2025 9:12 AM
3	it would be great to have a paved and non paved riding area	3/1/2025 9:07 PM
4	Please keep electric bicycles out of county parks and off the trails. They have motors & don't belong on the park trails!	3/1/2025 7:17 PM
5	I'm glad there are new trails at powers bluff, making cty Z wider in the town of Grand Rapids so people can safely ride to NEPCO and Wazeecha would be nice	3/1/2025 1:31 PM
6	Good bike lanes	3/1/2025 11:28 AM
7	Paths on the north side South Wood County Park need improvement. They are being difficult to ride on and are not safe for children.	2/28/2025 10:55 PM
8	Riding on public roads isn't safe.	2/28/2025 8:03 PM
9	I like that the county is investing in bicycling!	2/28/2025 2:57 PM
10	If we can connect communities via bike trail, we would use them. We own bikes and nkw ride from Grand Rapids to Nekoosa. If there were trails that could take us father, we would use them.es	2/27/2025 10:14 PM
11	The lack of connecting corridors are a big problem. Trails that are not well maintained or not cleared at all in the winter. No bike racks for locking up bikes at parks restrooms or playgrounds. Sharing the road is dangerous along many of our more picturesque areas. Drivers are too distracted. No clear circle routes.	2/27/2025 9:26 PM
12	We prefer bike paths where we do not encounter motorists. Cell phone use should not be legal during driving.	2/27/2025 3:58 PM
13	Biking on the roads even if there is space is dangerously and frustrating for drivers. I was downtown and the bikers were four wide with vehicles on both sides and there was not a way to get around them with oncoming traffic.	2/27/2025 2:31 PM
14	Paths could be improved around Lake Wazeecha in certain areas. An alternate path would be appreciated to the giant hill on the South of Lake Wazeecha just before the Beach/Shelter as it is very difficult and dangerous for young children to naviagate (we have experienced a wipe out). Would love to see a section of North Park road between 64th and Wazeecha Ave. be more bike/pedestrian friendly too. Cars can really whip through that area.	2/27/2025 9:36 AM
15	The current trails need serious maintenance-especially in the Wisconsin Rapids area.	2/27/2025 7:45 AM
16	Can we have some loops please	2/26/2025 6:20 PM
17	Paved off road trails would be very economical especially along river.	2/26/2025 5:36 PM
18	When there are bicycle events, they should educate the bicyclist on the rules of the road and not ride two side by side especially on roads like county trunk Z	2/26/2025 4:01 PM
19	Any paved trails we could add would be welcomed!	2/26/2025 3:46 PM
20	Wood county needs more bike/walking paths	2/25/2025 7:11 PM

Wood County Outdoor Recreation Survey, 2025

23	More trails to ride.	2/24/2025 10:16 PM
24	Cars do not respect bicycles and turn in front of them and squeeze them off the road. Would especially like some off road bike paths along Griffith and 48th Streets	2/24/2025 2:04 PM
25	Would be nice to have more black top trails and along the Wisconsin river, or around lakes. Green Circle trail in Stevens Point is very nice. We go there often to ride bike there.	2/23/2025 4:47 PM
26	A dog chasing or interfering with riders (or walkers) will not end well for the dog.	2/22/2025 10:51 AM
27	Great news	2/22/2025 8:09 AM
28	More bike trails.	2/22/2025 6:06 AM
29	The trail around Wazeecha can be crowded at times. People with loose dogs are a problem as I have been forced off the trees by a dog.	2/22/2025 5:35 AM
30	To have a multi-community trail system would be fantastic.	2/21/2025 4:22 PM
31	Need more.	2/21/2025 12:20 PM
32	Should have more areas for bikes to go so girls and younger girls feel Safe by themselves	2/21/2025 9:27 AM
33	None	2/21/2025 8:26 AM
34	We need more trails, bike paths and sidewalks for bike usage and hiking.	2/21/2025 7:27 AM
35	More connected bike trails needed in Marshfield.	2/21/2025 3:06 AM
36	If there is a good bike path I would use it	2/20/2025 10:13 PM
37	It would be nice to have all trails paved and kept in good condition	2/20/2025 5:08 PM
38	I would like to see more bicycle paths and better linkage between paths to allow avoidance of sharing busy roads with automobile traffic.	2/20/2025 5:06 PM
39	Cycling rules should be better taught.	2/20/2025 3:20 PM
40	Family friendly trails so that you can have a cart attached at the back or feel safe letting children ride their own bikes	2/20/2025 2:23 PM
41	Develop trail system with Portage county to utilize light use roads. Trail to follow river to Grant near plover	2/20/2025 1:26 PM
42	More access to trails, stricter use on keeping ATV off.	2/20/2025 12:37 PM
43	Would love to see the trails around wood county connect so a cyclist can stay on the path, similar to the green circle trail in Portage County. Partner with local municipalities to create a map and signage.	2/19/2025 12:41 PM
44	Pave the rest of bike trail around Lake Wazeecha. (North side)	2/19/2025 1:18 AM

49	We need a bicycle trail that connects Powers Bluff, North Park, Dexter Park and Sandhill.	2/15/2025 7:55 PM
50	I hope the roads don't end up like Stevens Point. They've turned 2 lanes to 1 where they shouldn't have to make room for bike lanes. There's more congestion and bikes are on the road a few months out of the year, only when it's nice out during those few months.	2/14/2025 11:57 AM
51	We need safe areas to bicycle in.	2/14/2025 4:15 AM
52	I would like to see connections between biking paths. Also, county-wide maps including city, county and any other paths.	2/13/2025 10:34 PM

54	I have a bike but haven't felt confident about using it...I live in the country with little to no shoulder and don't trust vehicle traffic for it to be safe	2/13/2025 6:17 PM
55	it's hard to park bikes and feel safe	2/13/2025 6:05 PM
56	Create maps on trails linked to QR codes that are site specific.	2/13/2025 11:16 AM
57	more bike lanes on roads/streets	2/12/2025 10:04 PM
58	I'm not concerned with my route I just only bike occasionally.	2/12/2025 4:55 PM
59	We need bicycle trails/paths	2/12/2025 12:59 PM
60	We need to promote bicycling to get people more active. Sitting on a ATV/UTV going from Bar to bar is not a good habit that the county should be promoting	2/12/2025 12:25 PM
61	More bike routes and signage would be great for those who are not as familiar with lower traffic roads	2/12/2025 11:54 AM
62	More bike friendly routes or trails	2/12/2025 11:40 AM
63	Clearing and maintaining additional bike paths around Lake Wazeecha in wintertime would be wonderful!	2/12/2025 9:56 AM

67	More sharrows, bike lanes, and bike signage	2/12/2025 8:31 AM
68	None	2/12/2025 8:30 AM
69	Bicyclists need to be educated and MORE aware on the need to follow the rules of the road as they are not considered pedestrians. Any type of plan that includes bicyclist education would be great and very much needed.	2/12/2025 8:29 AM
70	Love that we're addressing bike-ability.	2/12/2025 8:26 AM
71	It is NOT safe to ride on the roads with motorists.	2/12/2025 8:24 AM
72	I really like the changes I've seen over the past few years with signs and added trails	2/12/2025 8:22 AM
73	Education for cyclists and motorists on how to safely ride with traffic and share the road. More signage and protected bike lanes on main areas where bikers bike.	2/12/2025 8:20 AM
74	Wood County has some very nice county highways and local roads to ride on for recreation or work outs. The traffic volumes are low and the roads are well maintained	2/12/2025 8:20 AM
75	Endorse more bicycling, if not already.	2/12/2025 8:13 AM
76	I don't like bike lanes next to cars, I feel they are unsafe	2/12/2025 8:11 AM
77	Generally not safe to share the road with vehicles. Would definitely love more bike trails.	2/12/2025 8:04 AM
78	We live by 1st street (up the hill from the hospital) and it is so dangerous to ride bikes there even with the lane because people will cross the white line to pass cars that are turning. We have seen people almost get hit on multiple occasions.	2/12/2025 7:58 AM
79	Paved shoulders on county highways should be wider for road bikes. Powers Bluff needs a solution to the terrible rock garden drainage gullies, it could be so great but the constant rock crossings are abusive to our bikes and a nuisance to riders.	2/12/2025 12:00 AM
80	Even though trails are pretty, I don't feel safe. What/who is lurking around the corner	2/11/2025 10:47 PM
81	Not a bicyclist but agree that it would be nice for those who do and would bring in visitors	2/11/2025 8:38 PM

89	I live outside of town and don't ride my bike on the roads surrounding my home because I am afraid of being hit by a car- people don't pay attention.	2/11/2025 9:28 AM
90	Yay! Would love to see more bike paths in Wood County!	2/11/2025 8:28 AM
91	A long term plan to connect powers bluff, and the mead trails and possibly other communities would be of value	2/11/2025 8:18 AM

1	Confusing postings regarding trail types and passes. I want single track hiking options and think bikers and hikers can use the same trails with common courtesy. Is hiking/snowshoeing allowed on the single track trails?? Signage is unclear.	3/4/2025 8:14 AM
2	I like to snowboard	3/2/2025 5:56 PM
3	This park is a jewel and my favorite	3/1/2025 4:42 PM
4	Considering the amount of snow we typically get in a year, does it make sense to continue to operate the snow uses anymore? I hate to see this happen but the reality is that our parks moneys could likely be spent on other uses to improve trails and paths for walking and summer uses.	2/28/2025 10:56 PM
5	Improvements being made are great. Looking forward to this summer with the new shelter house and hiking trails.	2/28/2025 8:05 PM

7	Continue to improve trails for hiking.	2/27/2025 9:27 PM
8	Please try to preserve the diverse biology, wildflowers and plant life found on Skunk Hill. Especially trilliums and goblin fern. Single track bike trail will lead to erosion and destruction of wildflower habitat if not maintained or overused.	2/27/2025 4:03 PM
9	I have enjoyed this park for over 70 years.	2/27/2025 11:56 AM
10	The new hiking trails are great !	2/26/2025 3:47 PM
11	The singletrack trails need more help from the county. Drainage is an issue and rock crossings are not the answer. The county needs to bring in more gravel or build bridges over the low/draining portions of the singletrack trail. Also build easier ride-arounds for advanced features in the downhill trails (take lessons from Marathon county/Ringle trail system).	2/25/2025 1:03 PM
12	Dog walking	2/25/2025 11:34 AM
13	We had a family get together at the shelter house over a year ago. We had food setup on a table and saw mice going up by the food.	2/23/2025 4:50 PM

32	Single track has narrow spots that modern handlebars barely fit through creating unsafe conditions. And drainage needs to addressed differently to get rid of the obnoxious rock crossings. For all the yardage of gravel that was hauled in for the multi-use trails, the single track certainly deserves some better building materials in low areas - either gravel to fill in the chunky rocks or wood bridges over the drainage areas. Please.	2/12/2025 12:05 AM

1	Unfortunately there are still a lot of people who walk on groomed ski trails. More signage on the trails, and not just at the parking area. Also a lot of people who don't understand angled parking.	3/4/2025 8:16 AM
2	I no longer feel safe walking/ hiking at Nepco. Shady characters- litter-drug use debris	3/1/2025 4:43 PM
3	The beach is becoming unusable with the water quality and goose poop.	2/28/2025 10:58 PM
4	This is my closest park. I would like to see Wood County buy more property around it and expand it. The trails are heavily utilized. I would like to see more signage and a station for cleaning shoes especially with garlic mustard on the trails. Also, people just don't obey the dogs on leash rule at all and dogs harass hikers and wildlife. A connection to the single track trails needs to come down to the main parking lot area to take pressure off the small upper parking lot.	2/27/2025 9:34 PM
5	There are at least 2 places in the hiking trails where it would be super appreciated if some type of bridge or walkway could be built over marshy parts of the trail (on the boat landing side - or east side)	2/26/2025 3:51 PM
6	The singletrack trail is grossly underutilized. It needs to be properly redesigned by a professional trail builder and should be kept separate from dog walkers. Several areas along the lake or steep inclines need to be rebuilt wider as they have erroded and narrowed over the years creating unsafe conditions that kids refuse to ride on. Tree roots also need attention in many areas. Please encourage walkers to use the x-country ski trails rather than the singletrack trails. This park's trail system could be so much better but instead has been nicknamed Crapco by many locals due to the poor condition of singletrack trails.	2/25/2025 1:10 PM
7	Water quality is not good at the beach. Need a place to launch canoes and kayaks separate from the boat launch	2/24/2025 2:06 PM
8	Needs a disc golf course	2/22/2025 6:08 PM
9	Path around the park (boat landing to highway) requires repair.	2/22/2025 10:52 AM
10	Geese! And poop!	2/21/2025 11:18 AM
11	Need to be really improved and more efficient Be cleaned out more	2/21/2025 9:30 AM
12	So full of weeds. Gets stuck in your boat motor.	2/21/2025 8:34 AM
13	No	2/21/2025 8:29 AM
14	Bathroom needs updating. It is a dark cave.	2/21/2025 7:28 AM
15	Dogs have contacted Blastomycosis from that area	2/20/2025 10:15 PM
16	The beach itself is awful and seems very unclean.	2/20/2025 10:15 PM
17	Another bathroom. Allow pets.	2/20/2025 6:46 PM
18	Improve playground. In the summer make the water not gross	2/20/2025 6:32 PM
19	Love the ski/hiking/snow shoeing trails!	2/19/2025 12:42 PM
20	The trails for hiking are great in the summer. Could use a little more attention after storms for down trees during the year.	2/16/2025 3:58 PM
21	You can't walk on the beach barefoot because of garbage or geese droppings.	2/14/2025 4:17 AM
22	I made extensive comments earlier on this form about Nepco Lake Park.	2/13/2025 10:30 PM

Wood County Outdoor Recreation Survey, 2025

23	Increased signage on trail crossings that correspond with points on trail map.	2/13/2025 11:47 AM
24	Please update & improve single track signage.	2/13/2025 11:18 AM
25	I stopped using the beach due to small size, lack of upkeep and dirty water	2/13/2025 8:05 AM
26	Good sledding hill when boat launch area is closed.	2/12/2025 11:41 AM
27	The trail maps are confusing - it seems like they don't include all the trails.	2/12/2025 8:57 AM
28	The seaweed keeps us away from the public part of the lake every year.	2/12/2025 8:36 AM
29	So many weeds in the water. Beach area could use some love. Could use a sharps disposal so people aren't discarding needles on trails, in water, etc.	2/12/2025 8:29 AM
30	I love Nepo, but sometimes I get turned around and am unsure about the trails that seem to lead to other places. I use this park very often for hiking or cross country skiing when there is enough snow and find myself always looking at the signs to be sure I am taking the right trail. Maybe the paths can be more defined, or maybe the park can offer a trail map / update signs. Thakn you!	2/12/2025 8:26 AM
31	It is always dirty with garbage laying around. It needs more supervision and cleaning.	2/12/2025 8:23 AM
32	It is a great place for work meetings	2/12/2025 8:09 AM
33	Improve swimming area	2/12/2025 12:11 AM
34	The single track at Nepco is lacking in so many ways. Tree roots are hazards in some areas. Other spots are barely wide enough for a bike tire and make children (or inexperienced adults) afraid to ride these trails. They are unnecessarily right in many areas causing a lack of flow to the trails. A professional trail builder should be consulted to re-vamp these trails and make the most of this underutilized county land. Seems like the 'single track bike trails' are catered more to walkers and people letting their dogs poop all over the bike trails.	2/12/2025 12:10 AM
35	Get rid of the sand in the playground. It's gross	2/11/2025 9:34 PM
36	The beach area could use a major sprucing up.	2/11/2025 11:51 AM
37	The docks are starting to show their age; the end of one is half broken and dips down and is missing the plastic piece so metal is exposed and scrapes on boat if it happens to rub against that part of the dock. The sidewalk between dock and bathroom area was in pretty bad shape with parts in very rough shape.	2/11/2025 7:25 AM

1	Not the place for spring hiking during a wet season, but otherwise a good option for outdoor recreating. Did have a creepy experience seeing a naked man sitting at a picnic table along the trail here while hiking alone....just FYI.	3/4/2025 8:18 AM
2	I come here for spring ephemerals, bird watching, and hiking in general. I am interested in camping here but unsure of the rules and safety. The trails need to be more divided. The horses leave the wetter areas a complete mess. If they would stick to a single side it would be better. We had to turn back on our fall hike instead of completing the big circle because it was so torn up and essentially impassable.	2/27/2025 9:37 PM
3	Will we ever get enough snow to ski and snowshoe again?	2/27/2025 4:05 PM
4	Last time I was there a few years ago, the trail was all rutted up. I stepped into a big hole and fell. So I haven't been there since. My husband has cross country skied there. We both used to ski there. Was beautiful there except for logging and ruts.	2/23/2025 4:56 PM
5	360 is a gem	2/22/2025 10:52 AM
6	This is the best place to cross country ski. When the trails are groomed, it's beautiful. The signs could use some updating?	2/21/2025 6:30 AM
7	Alot of wet holes on trails	2/20/2025 9:08 PM
8	Logging operation was a huge turn-off. Observation tower at end of power lines similarly off putting. Unfortunate.	2/20/2025 7:56 PM
9	Hard time finding a work around entrance when the water was high	2/17/2025 10:11 AM
10	Trails are very wet, no matter the time of year. We like to take our horses here, and go hiking with the family.	2/11/2025 9:43 AM

2	The bridge is a highlight!	3/4/2025 8:19 AM
3	there are only a few sites that we like, and most sites could use some granite, road base where the campers are parked	3/1/2025 9:14 PM

9	The camping pads need to be replaced and improved. They're not level. New fire rings are needed as well. Beach needs more sand.	2/24/2025 6:26 AM
10	Should have nice restroom with flush toilets. We like to walk there on the blacktop road. Would be nice to have the road plowed in the winter and gate open for walking. Don't put more disk golf there. Its taking away the natural beauty. Don't log the big trees. Put up signs for dogs to be leashed. We take our dog there leashed.	2/23/2025 5:07 PM

22	The beach is questionable.	2/14/2025 12:06 PM

25	Playgrounds could use some attention. Showers were chilly.	2/12/2025 9:15 AM
26	I think some of the disc golf holes could use built-up, dry, walking trails. Some of them are in lowlands and are hard to walk dry for much of the year.	2/12/2025 8:49 AM

1	So much more potential...	3/4/2025 9:42 PM
2	during rainy times when river is up, the dump station access is not so good, and the flood entrance road is pretty crappy and not wide enough for veh, and campers that leave and enter at same time, wich i think is being up graded, main issue is the dumping station location	3/1/2025 9:20 PM
3	They should fill in some of the low spots so those campsites don't get muddy and puddles after each rainfall. Move the dump station. No two-way traffic across the water. Major traffic congestion and the back way in (alternate entrance) isn't two-way either. Needs assistance.	2/28/2025 8:00 PM
4	See previous comments about camping pads.	2/24/2025 6:27 AM
5	Sites could use gravel. More level...	2/21/2025 12:27 PM
6	I've been camping there for years, they need to fix the camper pads by adding gravel and also fix the low spots in campsites, with dirt. They always get filled with water when it rains creating big puddles. These should've been filled years ago but haven't, it's the same sites that have had problems for years!. On a lot of the sites it's hard to see where the pad actually is. These need to be maintained.	2/21/2025 11:52 AM
7	All of the pads need upgrades like some gravel to park campers on!	2/21/2025 10:24 AM
8	Lack of tent sites with privacy away from the clutter of rv's. The beach is discusting and stagnant.	2/20/2025 9:44 PM
9	More electric sites	2/20/2025 9:12 PM
10	Last year was the first time we had been there in a long time and we had a wonderful time. Will definitely get there more this summer!	2/20/2025 9:38 AM
11	The beach is absolutely terrible. We can never swim there.	2/14/2025 8:27 AM
12	A different entrance to the campground would be advised/ The flooding each time the water is high, the incline and decline on each side are difficult when you are pulling a travel trailer, regardless of the size. Along with that there is no clear view to the other side of the entrance to see if there is on coming traffic or children on bikes or scooters.	2/12/2025 8:18 AM
13	I rated "very good" about the campground itself, but the park itself needs to be focused on.	2/11/2025 8:37 PM
14	Bridge when you come in is not very safe should have a better entrance backs up when campers are going out of emergency no one could get in because of the campers in the way	2/11/2025 4:40 PM
15	Need new pads	2/11/2025 3:53 PM
16	Love this campground, the park ranger is very helpful.	2/11/2025 10:03 AM
17	No fee for disc golf for campers. Add a dump station that does not block the entrance and exit	2/11/2025 9:02 AM
18	Would like to see more electric campsites here. Also, cut some of the brush away and make more water sites. Water sites are hard to get during the summer months. Need dryer firewood.	2/11/2025 8:33 AM
19	Need full hookups for rvs	2/11/2025 12:50 AM

1	Love this park!!! So grateful for it.	3/5/2025 2:38 PM
2	Better maintenance is needed at the beach areas. The playgrounds are in very poor condition. Goose poop covers the sand and the walking trail.	3/5/2025 10:11 AM
3	Playground at white sands is outdated. Boat launch has metal sticking out.	3/4/2025 9:43 PM
4	Frustrating when day use boaters and swimmers set up their own private "beaches" along the shore that interfere with the disc golf course--no common courtesy or understanding of other park uses. Is there a way to have a few dedicated areas for this and not allow it in places that affect other activities offered at the park??	3/4/2025 8:25 AM
5	Please keep electric bicycles off the trail around Wazeecha. The riders ride too fast...they're essentially motorized vehicles. Signage prohibiting electric bikes would help. Also, the hilly part of the trail just east of Red Sands beach is difficult to navigate for strollers, etc. It looks like there's a pretty decent option to create a segment of the trail that bypasses the hill and remains on flat ground. There are quite a few trip hazards on the trail on the north side of the lake...especially on the east half of the trail. Marking them with orange spraypaint only sets the county up for major liability when someone finally gets hurt...you've acknowledged the hazards but done nothing to mitigate them. Some stretches of the trail are in serious need of re-paving or getting rid of the asphalt altogether. The handful of roots that are creating trip hazards can easily be cut and removed.	3/1/2025 7:26 PM
6	The walking/bike path on the north side of the lake needs to be resurfaced. It is becoming difficult to ride a bike on in places, muddy in others, and difficult for children to ride on. It is used more than any other amenity on the park and used year round. I feel like its a critical component of the park's use and would be great to see improved.	2/28/2025 11:02 PM
7	Some of the playground equipment is outdated. Nice to have the sand at the playground that's not red.	2/27/2025 10:21 PM
8	Improve the bike/walking paths and keep clear in winter. Enforce the rules for dogs. Loose dogs and cyclists are not a good combination! Improve nature trails with regular mowing.	2/27/2025 9:42 PM
9	Eliminate the needless firewood ban!	2/27/2025 5:31 PM
10	why do you have to pay a fee to park for the water ski show?	2/27/2025 2:10 PM
11	Would love to see better trail maintenance in winter and redone in general, pretty rough in some areas with roots coming through path and asphalt missing. Would love to see swings replaced on North side near 60th street and/or a natural playscape.	2/27/2025 9:41 AM
12	the trail around the park needs to be repaired-it's like riding your bicycle on railroad tracks. And it should be plowed during the winter. It is a connecting transportation corridor for cyclists.	2/27/2025 7:48 AM
13	Thank you Aqua Skiers for the work that has been done at Red Sands. I hope you can do more.	2/27/2025 6:19 AM
14	Plow the snow on the walking trail in winter. AND it would be nice to blacktop the walking trail all the way around the lake.	2/26/2025 5:11 PM
15	Hiking paths need to be improved - e.g. tree roots, broken pavement. Also, a bathroom is needed on the NE side of Lake Wazeecha.	2/26/2025 4:31 PM
16	What would it take to keep the path around the lake open in the winter?	2/26/2025 3:54 PM
17	I love the walking paths though out the park.	2/25/2025 7:13 PM
18	New playground needed with safe equipment!	2/25/2025 5:37 PM

Wood County Outdoor Recreation Survey, 2025

19	It would be nice to see the path paved all the way around the lake	2/25/2025 1:11 PM
20	too many trees being cut down. It used to be beautiful years ago. it's still nice, but don't clear so much.	2/24/2025 10:21 PM
21	It would be nice to keep the trails plowed during the winter. Mostly Swim, canoe, walk, bike and run there.	2/24/2025 2:08 PM
22	Need bike trails not dish golf.	2/23/2025 5:13 PM
23	Needs a disc golf expansion or additional course	2/22/2025 6:13 PM
24	A few loads of roadbase on the trail on the Lake's north side would be helpful. Enforce the dog leash restrictions.	2/22/2025 10:53 AM
25	Would be nice to see the lose dog rule enforced and the trail plowed in winter.	2/22/2025 5:41 AM
26	Last time I was there, everything seemed to be really good	2/21/2025 9:31 AM
27	Trails are very rough in spots due to tree roots and need to be leveled out. Playgrounds are outdated and getting rough in shape. Geese really make the beaches rotten and full of feces.	2/21/2025 8:35 AM
28	I enjoy the trails.	2/21/2025 6:33 AM
29	I love walking & biking at South Park. It could use some updating. A kayak launch would be nice	2/20/2025 7:13 PM
30	Playground seems dangerous	2/20/2025 6:34 PM
31	We love the walking/biking paths.	2/20/2025 5:11 PM
32	iwalk around the walking path	2/20/2025 3:30 PM
33	I use the trail around Lake Wazeecha and travel through the Park on the trails.	2/20/2025 2:57 PM
34	The geese are terrible at White Sands Beach!	2/20/2025 9:41 AM
35	love the trails and butterfly garden!	2/19/2025 12:44 PM
36	I would like to see playground available within the campground area whether it is in that center section of loop 1 or somewhere in loop two or three. With the school district getting many new playgrounds at their schools this year, perhaps that would be a great way to attain more affordable playground equipment. My concern with the playground at Red sands is having young kids. They can't go on their own when they are beginning to develop their independence of going places by themselves. As well. It is hard for younger kids who need parents to go with them to be able to go through that distance from the campground.	2/19/2025 9:35 AM
37	Pave rest of bike trail around Lake Wazeecha	2/19/2025 1:21 AM
38	Need more shower-restroom facility	2/17/2025 2:17 PM
39	For years it has needed a updated shower,bathrooms facility. A second one is much needed	2/17/2025 1:48 PM
40	Need more flush toilet/shower shelters	2/14/2025 11:10 AM
41	Repair the damaged multi-use trail on the north side of the lake. Keep multiple toilet facilities open year round.	2/13/2025 10:33 PM
42	I would like to see updated playgrounds and improved paths on the north side (the rock gravel is too large and is uncomfortable to walk and bike on)	2/13/2025 1:21 PM
43	Great walking trail around lake	2/12/2025 11:44 AM
44	dog park for campers	2/12/2025 8:31 AM
45	More trails off road/pavement would be enjoyable.	2/12/2025 8:26 AM
46	a paved trail all the way around the lake would be wonderful!	2/12/2025 8:13 AM
47	Trail around Lake Wazeecha is well kept year round. Appreciate the winter sanding of the hills.	2/11/2025 10:03 PM
48	Goose poop everywhere	2/11/2025 9:14 PM
49	Too many geese. Beaches are full of their droppings. Very few garbage cans. Need more	2/11/2025 8:42 PM

patrolling.

50	Finish paving or improve the trail, especially on the north. The large rock used on the drainage project is horrible for bikes and pets. Work to improve the fishery as well.	2/11/2025 1:59 PM

13	It would be great if we could get an actual playground at the campground. The one up the hill at Red Sands is too far out of eye site for most parents comfort.	2/11/2025 12:22 PM

1	I've stopped there just to stretch my legs and am glad it exists.	2/28/2025 3:00 PM
2	I know it is not your fault but it is the most buggy location. We couldn't stand to stay long.	2/27/2025 9:45 PM
3	Why would the county have a rifle range??	2/24/2025 2:08 PM
4	Needs to be run similar to Portage county - with range master and operating hours	2/22/2025 10:54 AM
5	None	2/21/2025 8:31 AM
6	Put up dumpsters by the target area and also poles with fencing between down at the target area so you can pin a target up. People have to drag in boxes and pallets and whatever else to shoot at and so it makes a mess. If you could pin up a target you would probably avoid 90% of the trash left on site.	2/14/2025 12:36 PM
7	More access before rifle season.	2/13/2025 3:36 PM
8	I enjoy the Wood County rifle range when it isn't busy, but several times I have seen large groups sharing one shooting lane and ignoring all rules of gun safety. Perhaps a "lifeguard" of sorts would be beneficial to keeping the range safe.	2/12/2025 9:38 AM
9	Great range. Keep it open.	2/12/2025 8:26 AM
10	garbage containers at each booth.	2/11/2025 2:58 PM
